Make it Brilliant
for graphic design

The PANTONE PLUS SERIES for graphics and multimedia now features 84 new Solid Colors, for a total of 1,755 choices for selecting, specifying and matching PANTONE Solids, plus thousands of Process-only colors, cool Pastels, hot Neons, lustrous Metallics, sizzling Premium Metallics and innovative design and production tools. It all adds up to the one system you need for graphics, packaging, web and display design – and virtually unlimited ways to Make it Brilliant.

FORMULA GUIDES Solid Coated & Uncoated

1,755 brilliant Solid Color choices. Ink formulations are provided. Includes color index, lighting evaluation tool and PANTONE COLOR MANAGER Software. Set of two guides, coated and uncoated.

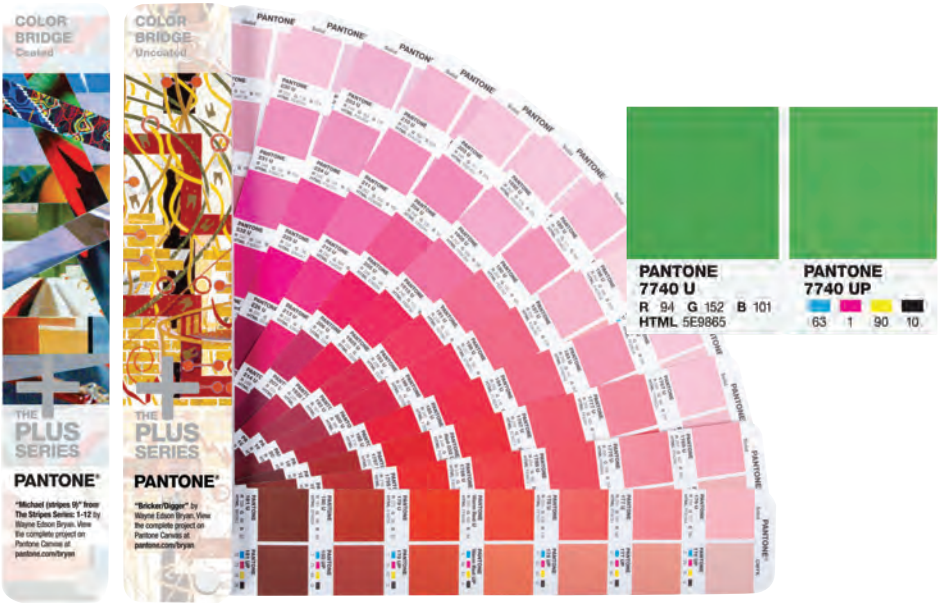

GP1601 **$155.**

SOLID CHIPS Coated & Uncoated

All the PLUS SERIES Solid Colors in a convenient chip format that attaches to artwork and digital files for easy and consistent color communication. Includes color index and PANTONE COLOR MANAGER Software. Set of two books, coated and uncoated.

GP1606 **$335.**

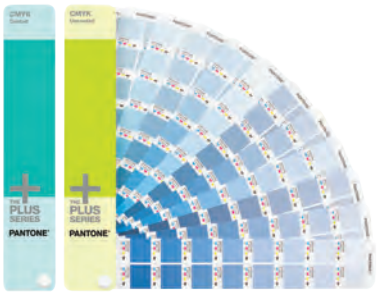

COLOR BRIDGE® Coated and Uncoated

An invaluable multi-use color reference tool! Select and specify PANTONE Solid Colors or translate them for CMYK process, web pages and monitors. Includes color index, lighting evaluation tool and PANTONE COLOR MANAGER Software.

COLOR BRIDGE Coated GG6103 **$165.**

COLOR BRIDGE Uncoated GG6014 **$165.**

COLOR BRIDGE Coated and Uncoated Set GP6102 **$265.**

CMYK Coated and Uncoated

2,868 CMYK colors, ideal for type, logos, borders, backgrounds and other graphics treatments. Screen tint percentages are provided. Includes color index, lighting evaluation tool and COLOR MANAGER Software. Set of two guides, coated and uncoated.

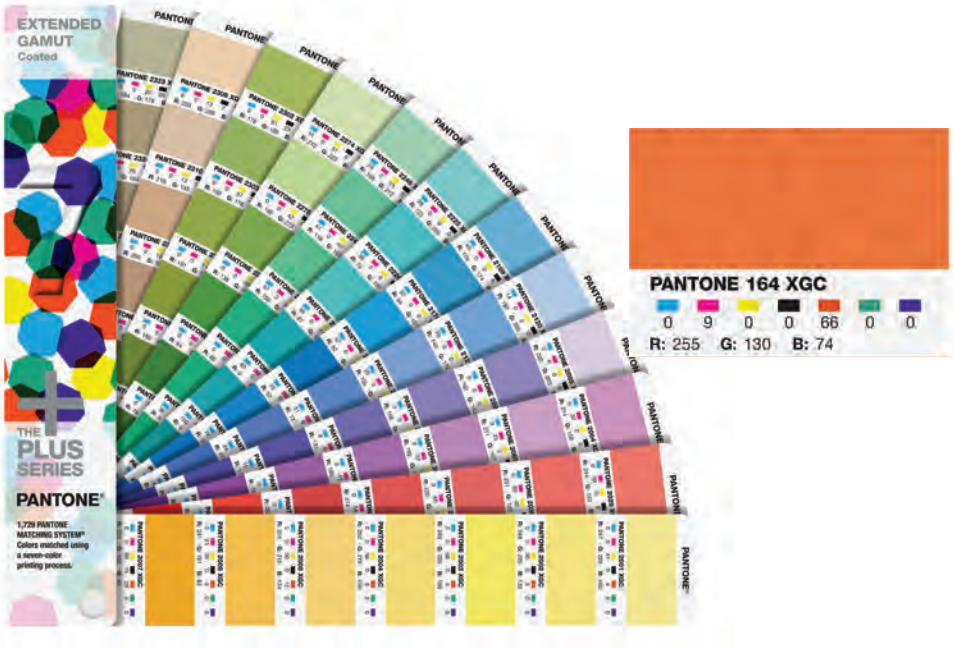

GP5101 **$155.**

STARTER GUIDE Coated & Uncoated

Perfect for students or anyone starting out in design, the PANTONE STARTER GUIDE contains 543 selections from all PLUS SERIES Color libraries – Solids, Metallics, Premium Metallics, Pastels and Neons – on coated and uncoated stock.

GG1511 **$60.**

EXTENDED GAMUT Coated

Pantone's PLUS SERIES EXTENDED GAMUT Coated Guide is printed with an extremely high quality, seven-color printing process using existing Cyan, Magenta, Yellow and Black (CMYK) inks plus commonly used Orange, Green and Violet (OGV) inks that 'extend' the color gamut significantly. Compare these new seven-color simulations to PANTONE Spot Colors and see how much closer you can get!

GG7000 **$145.**

SOLID-TO-SEVEN Set

Bundle the solid colors in the FORMULA GUIDE with the seven-color simulations in EXTENDED GAMUT Coated to make informed color decisions and save $60!

2015-004 **$240.**

BRIDGE-TO-SEVEN SET

Decide when CMYK will suffice or when seven-color printing or solid inks are the better choice with this money-saving bundle –save $70!

2015-005 **$240.**

METALLICS

301 exquisite metallic colors on coated paper add impact and elegance to your projects. Guide identifies the ink mixing formulas and the effects of a gloss aqueous coating. Chips book features six tear-out chips in each color that attach to artwork and design files for color accuracy. Both products include PANTONE COLOR MANAGER Software.

METALLICS Guide GG1507 **$90.**

METALLIC CHIPS Book GB1507 **$195.**

PREMIUM METALLICS

300 dazzling metallic colors on coated paper add pop and sizzle to your designs. PREMIUM METALLICS can be easily coated without any loss in luster and have a longer life after printing without tarnishing or blemishing. Both products include PANTONE COLOR MANAGER Software.

PREMIUM METALLICS Guide GG1505 **$95.**

PREMIUM METALLICS CHIPS Book GB1505 **$195.**

PASTELS & NEONS

154 soothing Pastels provide softness or subtlety and 56 hot Neons add vibrancy to your designs. Chips book features six tear-out chips in each color. Guide includes ink mixing formulas and lighting evaluation tool. Coated and Uncoated papers together in one Guide or Chips book. PANTONE COLOR MANAGER Software is included with both products.

PASTELS & NEONS Coated Guide GG1504 **$95.**

PASTELS & NEONS CHIPS Book GB1504 **$195.**

PANTONEVIEW Trend Forecasts
The right information to help you make the right color choices.

Our PANTONEVIEW color forecasts provide a global viewpoint on color 6-24 months ahead embracing everything from fashion, interiors and lifestyle, to color cosmetics, multi-media and industrial design. Staying on top of all the latest trends, PANTONEVIEW gives you inspirational imagery, directional trend palettes and color insights from the world's leading color experts, so you can make those critical color choices and get it right.

PANTONE
Color Institute™

Color Inspiration. Color Insights. Color Intelligence. Color Solutions.

The PANTONE Color Institute offers unique and comprehensive color solutions for the application and integration of color as a strategic asset. From custom color development and bespoke consulting services to market research and education, our color experts can help you utilize color to increase consumer engagement and drive powerful commercial value.

Services and Capabilities:

Market Research

Color is a vital factor in consumer purchasing decisions. In addition to our own market research, we also create customized market research focusing on the information you need:

- **Consumer color preferences** by target market segment locally and/or globally
- **Consumer word associations** by product segment locally and/or globally

Color Expertise

Colors are the catalyst for feelings, molding moods and enhancing lives. Whether looking at the role of color in commercial spaces, artistic projects or your own personal well-being, explore our library of color books or participate in one of our color workshops and discover the magic, meaning and messages behind your favorite shades.

- **Color Psychology**
- **Color Education**
- **Color Workflow**

Color Consulting

Turning dreams into reality. At Pantone, it is not just about selecting the right color, it is also about getting color right. From inspiration to realization, our customized range of services include:

- **Color Palette Recommendations**
- **Color Choice Validation**
- **Color Shade Naming**
- **Color Messages and Meanings**
- **Cultural Color Preferences**
- **Custom Color Development** for product and new brand identity including corporate identity standards
- **Tailored or Personalized Color presentations** created to meet audience need and interest level
- **Color Management**
