Data sheet for inkjet waterproof film

Based material	**Based thickness**	**Total thickness**	**Transparency**	**Color**
polyester(PET)	100 microns	130microns	Semi-transparent	Milky white
Waterproofness	**Humidity (%)**	**Density**	**Clarity(%)**	**Suitable ink**
waterproof	≥25	≥3.0	64	Water based dye and pigment

Surface	Weight
glossy	165g/m2
Compatible printer	**Appilication**
Inkjet printers	widely used for silkscreen printing,lithographic printing,inkjet plate making,textile printing,offset printing
