# WASHES, FOUNTS AND AUXILIARIES …

**FOOD PACKAGING CERTIFIED!**

HEIDELBERG

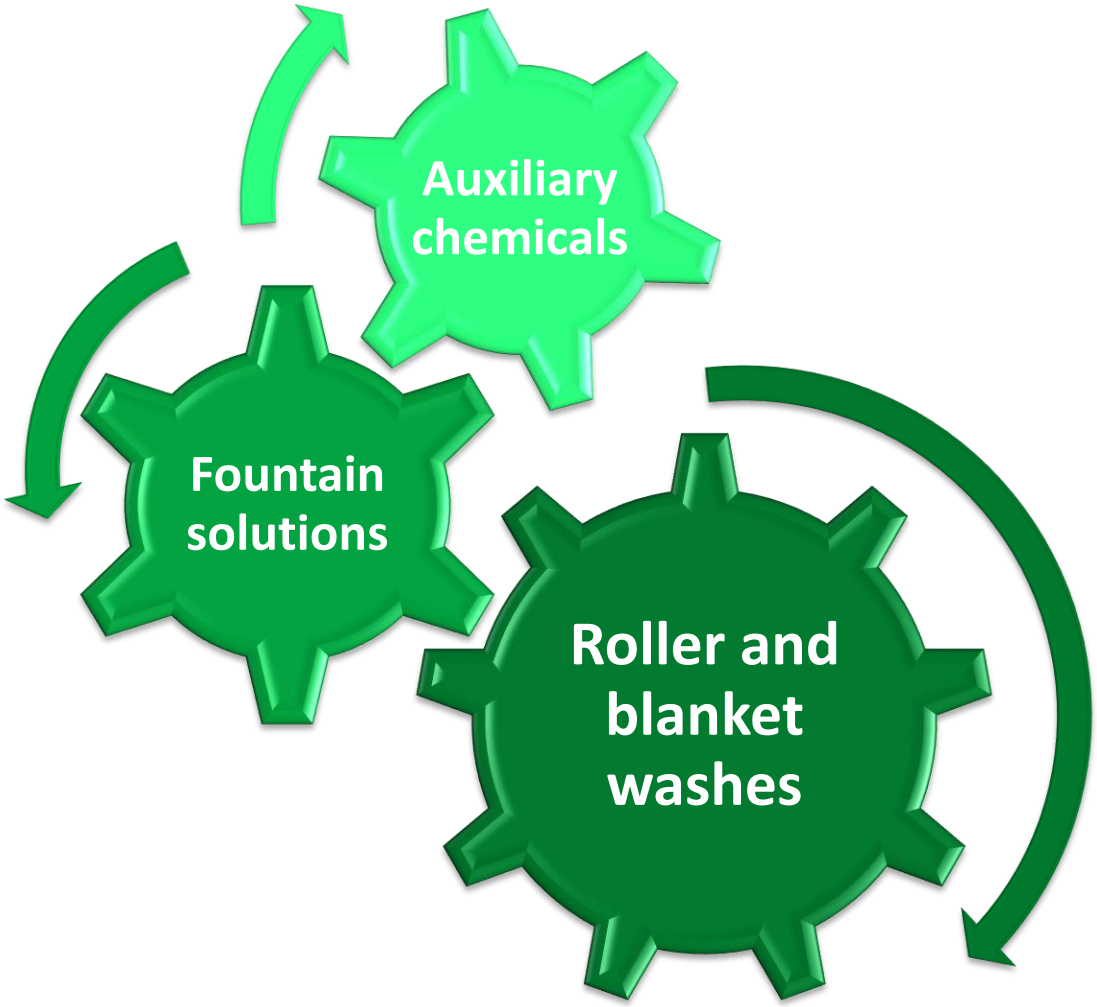

# Saphira Washes, Founts and Auxiliaries Food Packaging Certified !

- A complete range of pressroom chemicals is granted a certificate of compliance, highly appreciated in the food packaging industry.

- These independent 3th party certificates support the printer towards a worry-free production process, stating that these products have successfully passed tests as prescribed by EC ordinances, the LFGB, NSF H1 and/or others. More details are listed in the following slides.

- The use of these certified products leads to a **safer**, **more secure** production environment and to a finished product, **compliant** with the highest food packaging safety standards.

# Saphira pressroom chemicals: A FULLY food compliant process !

**CONVENTIONAL** applications

**HYBRID** applications

**UV** applications
